**CITY OF STERLING  
REGULATIONS FOR THE SALE OF FIREWORKS  
FROM TEMPORARY STRUCTURES**

1. A City of Sterling sales tax license must be obtained from the Finance Department.
2. Fireworks may be sold from a temporary structure from June 15 through July 4.
3. The cost of the permit is \$100.00.
4. Application for a fireworks permit shall be submitted on or before June 8.
5. The temporary structure and the contents therein shall meet all applicable fire codes.
6. The sale of fireworks from a temporary structure shall occur only in the light industrial and heavy industrial zone districts.
7. The sale of fireworks shall meet all applicable state statutes.
8. Structures shall not be erected prior to submission of application.
9. Upon completion of the structure and prior to opening for business an inspection of the temporary structure shall be made by the Fire Department and the Building Department.
10. All structures shall be complete and ready for business. Incomplete structures will not be inspected and will be subject to a \$30.00 reinspection fee.
11. A minimum of ½ days notice is required for inspections.
12. Arrangements for an inspection may be made through the Public Works Department at 522-9700.
13. All required corrections shall be made prior to opening for business
14. Upon final approval by the Fire Department and the Code Enforcement Specialist a permit will be issued. The permit shall be prominently displayed in the structure at all times.
15. The temporary structure is subject to reinspection by the City of Sterling at any time.
16. Temporary structures shall be completely removed within three days following July 4. Failure to remove said structure within the allotted time could jeopardize the status of future permits.
