

NOTICE OF PUBLIC INPUT MEETING

The City of Sterling will be conducting a Public Input Meeting along with the University of Colorado Denver, College of Architecture and Planning on Thursday, January 10th, at 6 p.m. at the CSU Engagement Center, 302 Main Street on a proposed Urban Park/Parkette at the North East corner of 4th Street and Main Street.

With funding assistance from the Department of Local Affairs, the City along with the planners from CU-Denver is seeking public input on potential components to be integrated into the design for a park on land currently the site of the Sterling Bicycle Works.

For further information, please contact Donald J. Saling, City Manager at 970-522-9700 X1115.
